

Reach out for someone. To communicate

is the beginning of understanding

REACH OUT

*Reach out and touch somebody's hand, make this world
a better place if you can.*

*Just try, take a little time out of your busy day to give
encouragement to someone who's lost the way.*

*Just try, would I be talking to a stone if I asked you to
share a problem that's not your own.*

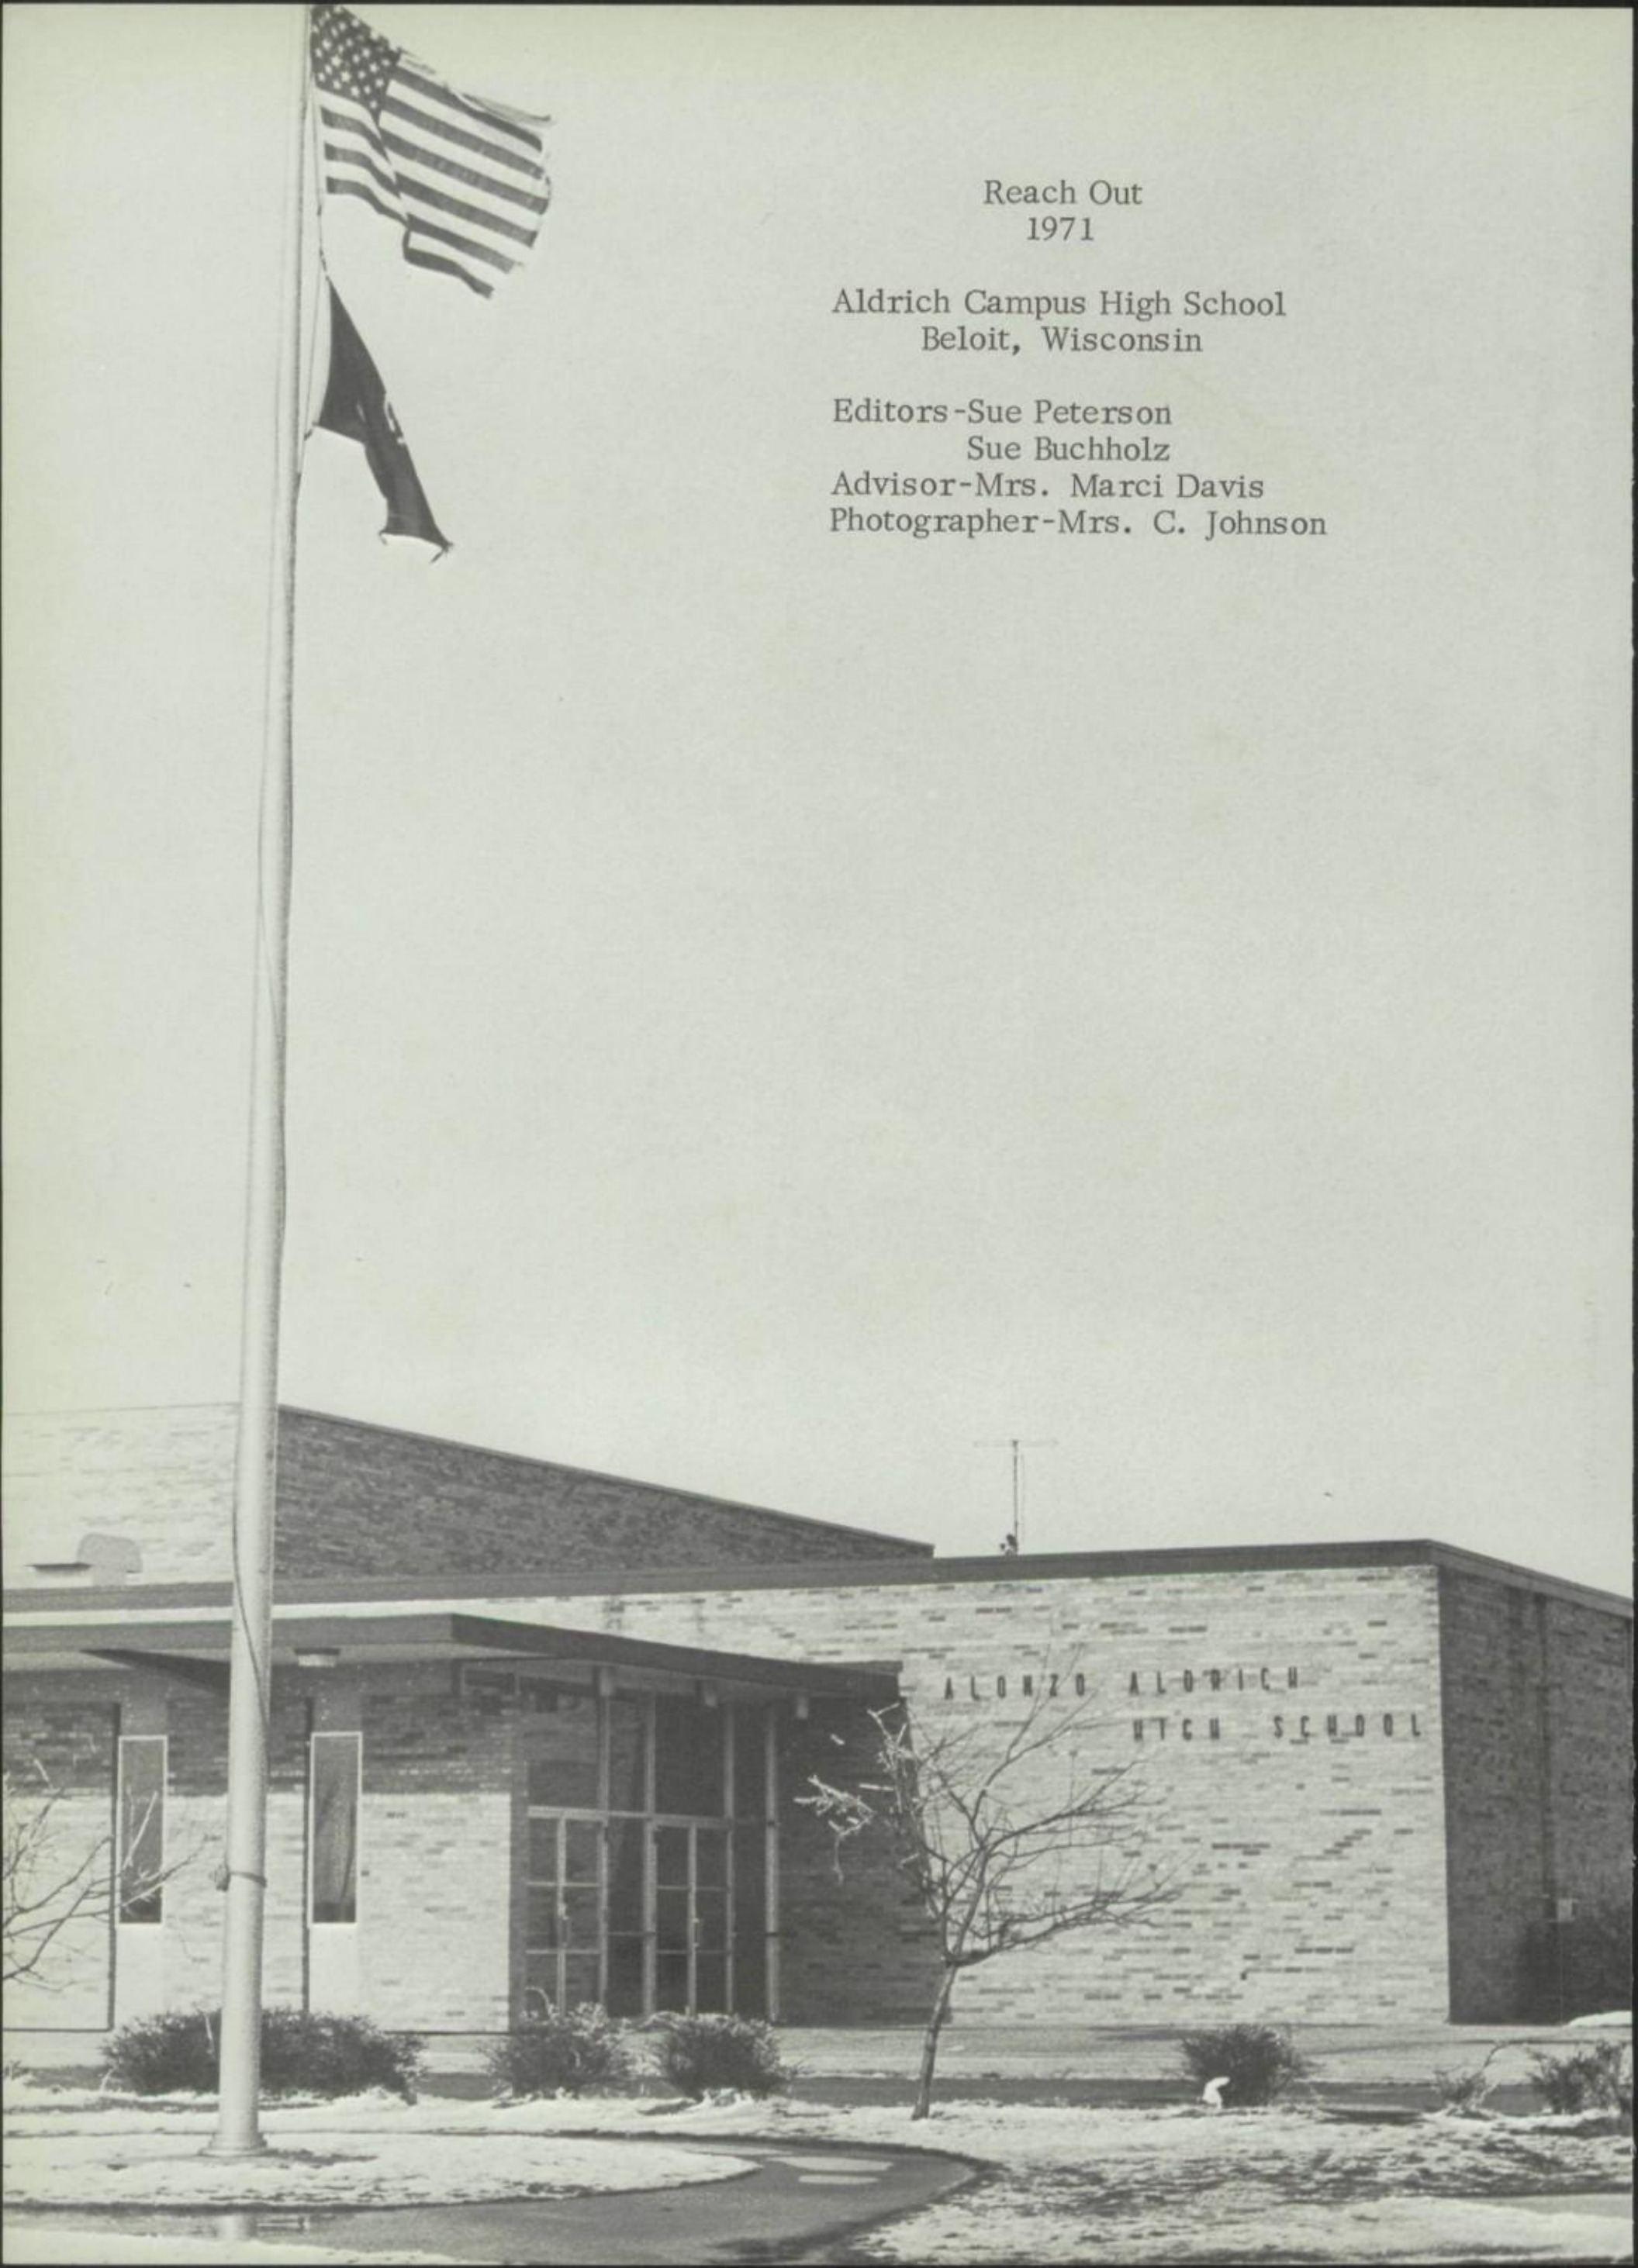

We can change things if we start giving. Why don't you
...

*Reach out and touch, somebody's hand make this world
a better place if you can.*

*Just try, if you see an orphan on the street and he's down
remember his shoes could fit your feet. Try a little kind-
ness and you'll see it's something that comes very
naturally.*

We can change things if we start giving. Why don't you
...

*Reach out and touch somebody's hand make this world a
better place, if you can.*

Principals Reach Out And Lead

Mr. Terry attended Northern University at Dekalb, Ill. where he received his B.S. Degree. He also attended the University of Wisconsin where he received his Masters Degree. He did one year of post graduate work at the University of Colorado and the University of Wisconsin.

He taught Junior and Senior High School in Illinois. In World War II he spent three years in North Africa and Europe. He came to Beloit in 1946 and has been an elementary, junior and senior High principal since 1951.

In his spare time he enjoys camping. He has taken several trips to the West, Southwest, and North. He hopes to go to other sections soon. He also enjoys golfing, fishing, and hunting.

Mr. Henning attended the Wisconsin State University, Platteville, where he received his Bachelor of Science Degree. He received his Masters Degree from the University of Wisconsin, Madison.

In his spare time he enjoys camping, sailing, fishing, and reading.

Mr. Provus received his B.S. Degree and Masters Degree from Northwestern University. He majored in education and the social sciences.

He did graduate work beyond the Masters at the University of Chicago and the University of Wisconsin.

In his spare time he enjoys teaching, coaching, and playing tennis. He is an enthusiastic swimmer. He also likes to listen to music and read a great deal.

Counselors Reach Out And Help

Our counselors were busy besides helping students. They work with probation officers, guidance clinic workers, and community agencies. Conferences are held throughout the year with students, trying to get to know them and trying to get the students to really look at themselves. They teach a two or three day unit on information about post-high school training in all ninth grade English classes. Their most important job is to help a student whenever a problem arises and to work with teachers over problems they may have with any student.

To Show The Way

Miss Miller uses free periods to prepare another challenging lesson in mathematics.

Mr. Heckle, Audio-Visual supervisor, helps faculty become more creative by using the facilities of the A-V department.

Sophomores

Sophomores Reach Out . . .

Aldrich Campus High School began its second year as a Freshman/Sophomore building. This gave sophomores the opportunity to lead the school's organizations. Through their interest clubs, musical groups, year long activities and competitive sports they helped to unify their school.

And Lead

Nearly 700 sophomores set the styles at Aldrich; tight jeans and letter jackets for boys, midi and maxi skirts or coats for girls. When school started in the fall it was the sophomores who helped the most in directing many confused freshman students to their classes.

Held frequently throughout the fall and winter seasons, Pep Assemblies gave the Sophomores a chance to raise their voices and build school spirit. Led by seven smiling cheerleaders, the packed bleachers responded actively.

Due to large enrollment, Sophomores and Freshmen attended separate assemblies in the boys' gym. Both educational and entertaining programs were presented by Aldrich students and community groups.

And Grow

Freshmen coming from Lincoln and Roosevelt Junior High's mixed quickly, forgetting last year's relationships. In fact, the added competition brought out the best from both schools.

Throughout the year most of the guys grew inches taller while the girls joined the sophomore girls in the dropping of hemlines.

Freshmen were introduced to foreign languages. Over 250 sophomores and freshmen attended the Milwaukee Folk Festival in November. Tasting authentic foreign cuisine and being entertained by a lively night folk dance performance filled out the night's schedule.

New faces filled the halls each morning at 8 a.m. Some freshmen had attended Aldrich as seventh graders when the building was a junior high. To these students the huge building was already known.

Even on sunny wintry mornings, things got pretty cold. These Aldrich students were no exception.

Concentration combined with a sincere interest allowed this boy to learn how to use one of the cassette recorders in the IMC.

Map study is an important and interesting aspect of the freshmen world civilization classes. Here being guided by Mr. Grovestein, these students seem to enjoy this practical way of learning.

Aldrich's six cheerleaders were the core of the school's spirit. They roused students interest in their teams at assemblies and kept it there during games. The cheerleaders trained constantly and got about as much of a work out as the team did during a game. Together with the Pep Club the cheerleaders made a very formidable "spirit" force.

THE OPEN EYE

Aldrich Campus High School
Volume 1 Number 5
Date: Feb. 1971

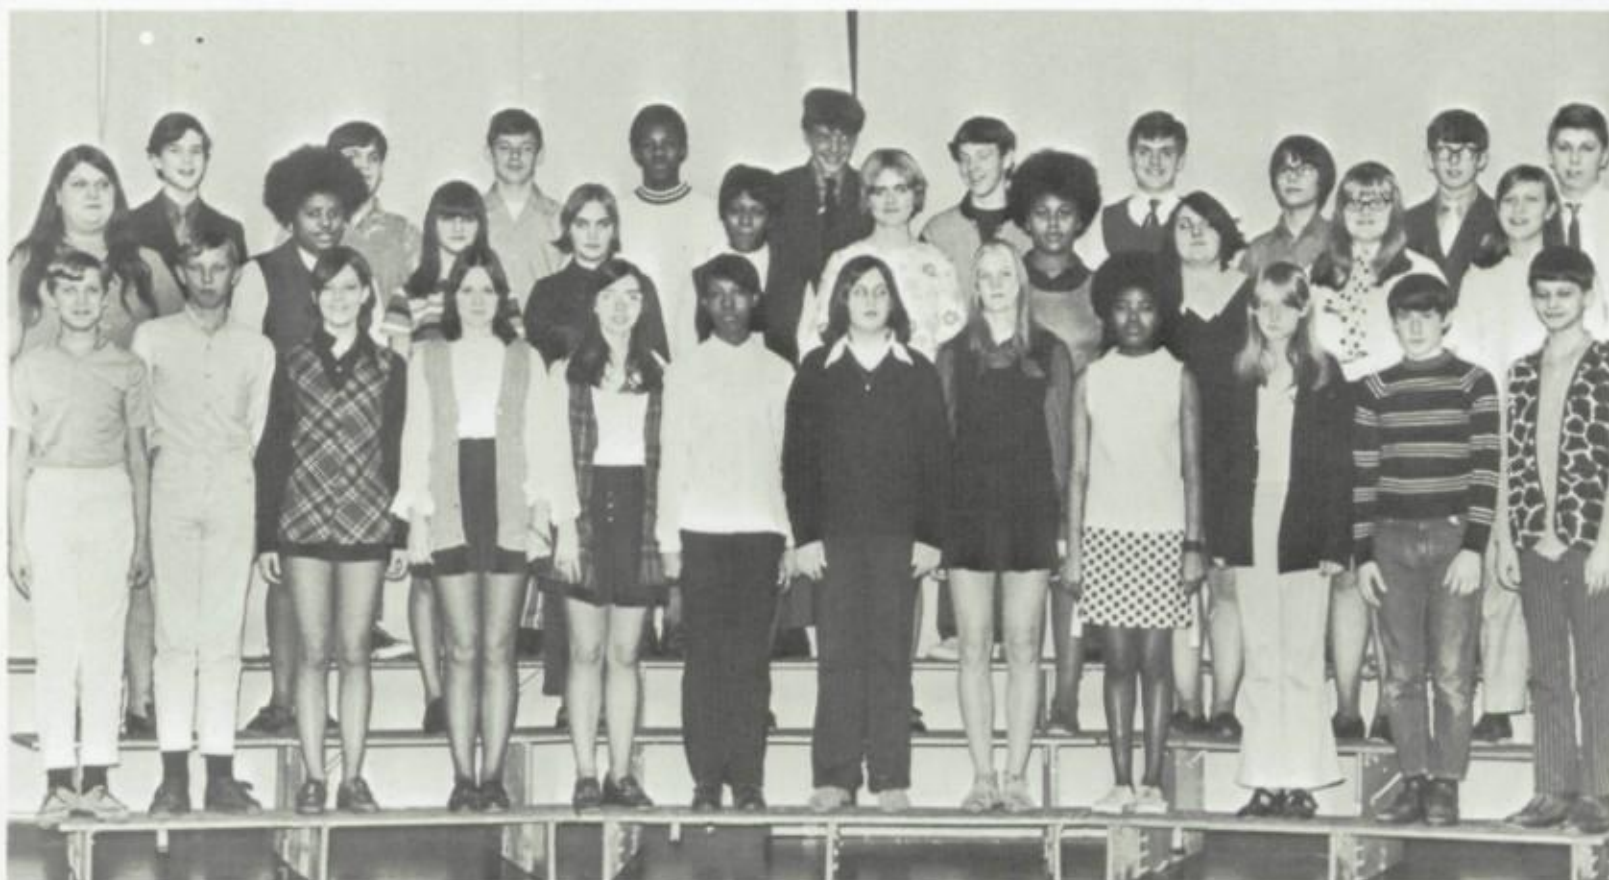

Aldrich's monthly publication for 1970-71 was "The Open Eye". It contained a broad range of articles written by people with differing viewpoints. There was a Horoscope for the astrologers, "Write On" for students interested in foreign affairs and a humor column for everyone. The Co-editors were Mike Finley and Bette Irvin. Miss Walton was the organizer and advisor.

ORCHESTRA

To be in orchestra the Strings must have had at least two years of experience in Jr. High School. The woodwinds, brass and percussion are selected by the Band Director.

The orchestra performs three Christmas concerts, a pops school assembly, Spring Evening Concert, out-of-town Concert and assemblies at the Junior Highs.

Enrolled in the bands this year, under the direction of Mr. Richard Grunow, are approximately 200 students, divided into three bands, Concert, Eighth, and Ninth hour bands, according to their abilities.

Selected students from the concert band play in the Stage Band. Members of the brass section, a trap-drummer, piano, and saxophones are included in this group. The music they play is contemporary-blues, jazz, and rock.

The Concert and Eighth hour band members also add liveliness and spirit to our pep assemblies.

The bands presented a concert at Christmas and their Spring concert was presented in late March.

The Student Council included Pres. Sam Eddy, V. Pres. Micki Mills, Sec. Anne Kapitanoff, Treas., Wynn Weaver, and the elected representatives of our second hour class. Our student council sponsored dances, and was the backbone of the Spirit of '70. During Christmas they organized a food drive and they collected RC bottle caps for charity. A source of income for projects came from the student council store, headed by Wynn Weaver, and ably staffed by Patti Elliott. This is where students like James Marshall buy supplies.

White Took Second

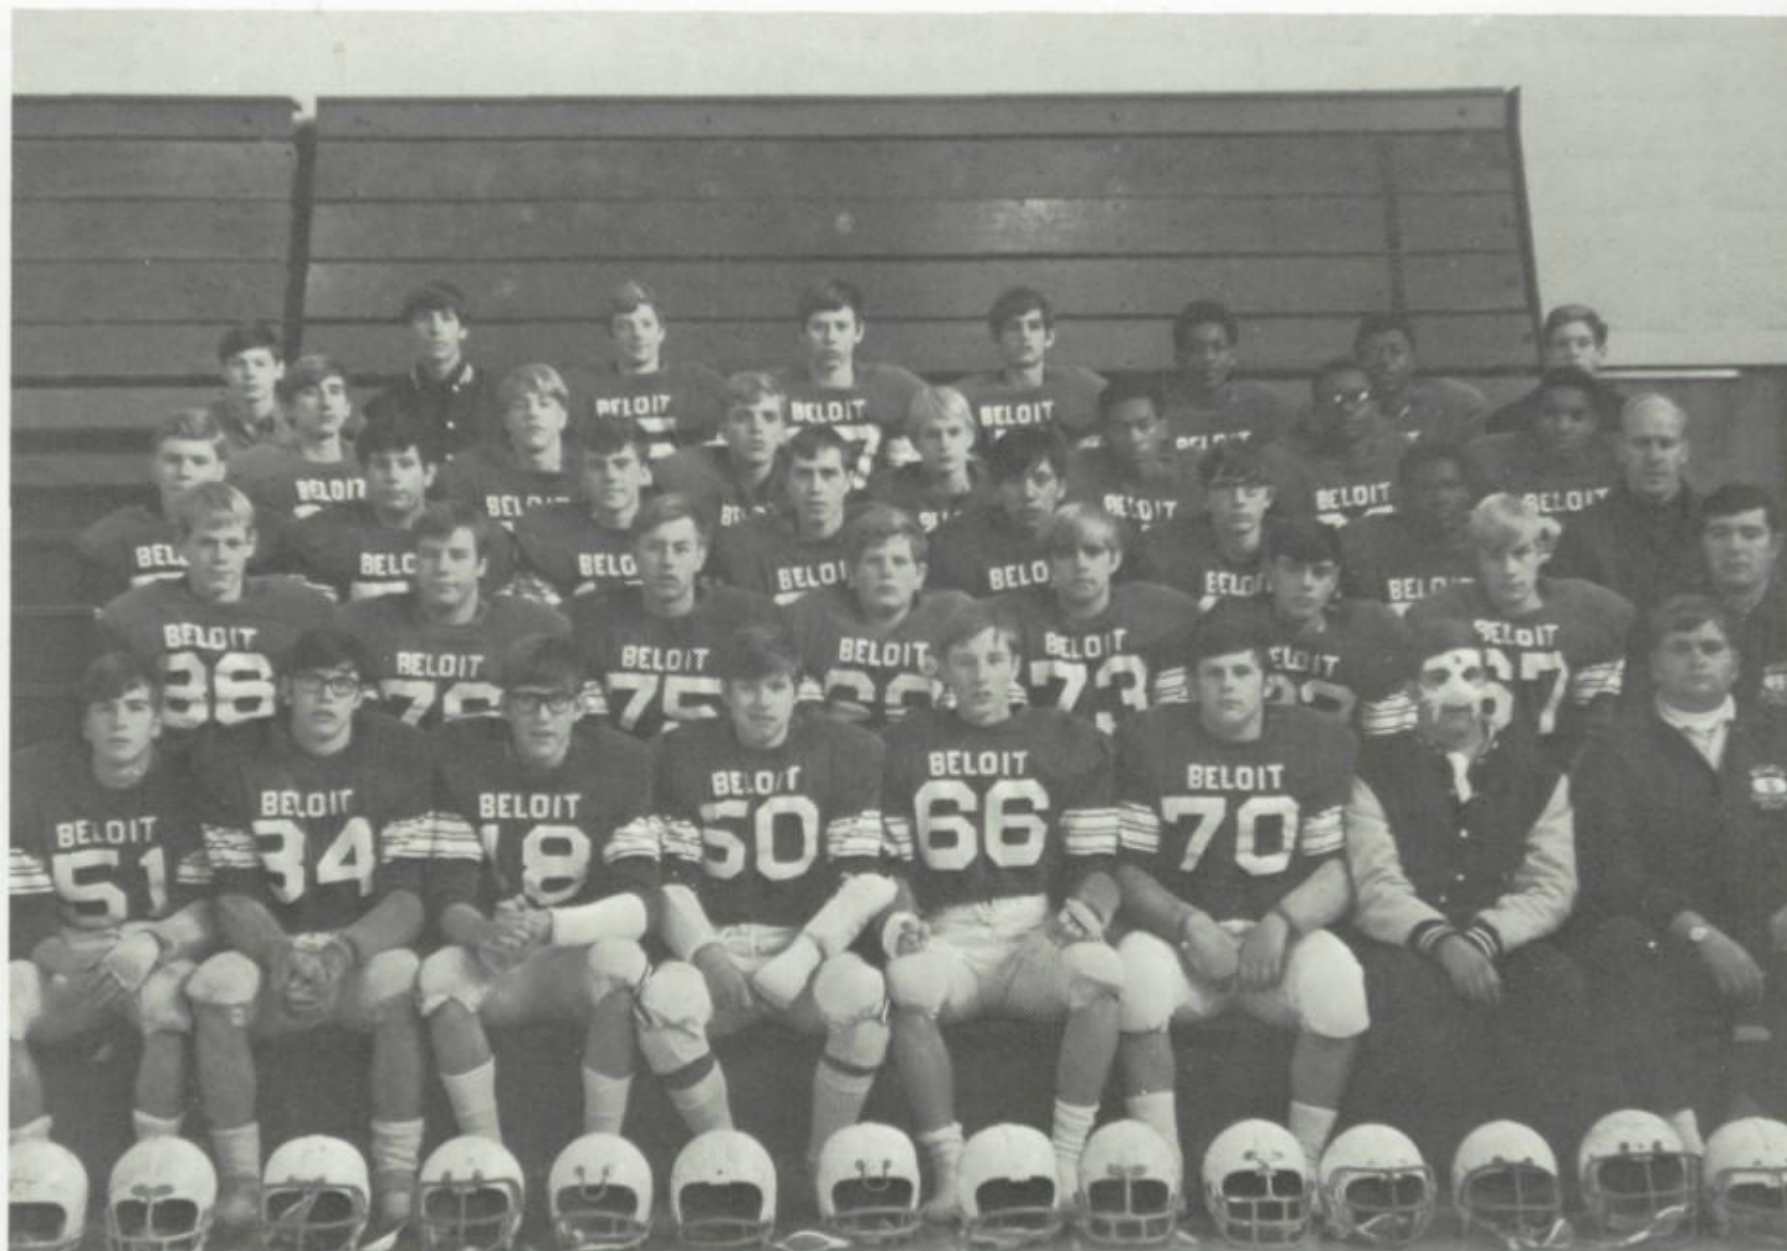

Coached by Mr. Gupton and Mr. Byers, the Aldrich White fought to a 3-3 season. Their record gave them undisputed second place in the conference. Led by a strong line and a grinding offense, the White played consistent ball throughout the season. The ball control offense and good depth throughout the team contributed to White victories. The team was led by Best Lineman Marty Shugarts, Best Back Bob Mosher, and Most Valuable Player George Berton.

ROW 1: Coach Grovesteen, L. Peterson, J. Dick, B. Foley, D. DeBruin, D. Anderson, S. Thill, T. Sugden, Mgr. L. Brown. ROW 2: Coach Heikkenen, J. Schroeder, T. Jessen, M. Paulson, T. Preuschl, M. Tangye, M. Kellicut, J. Machula, C. Milsap, J. Smith.

Purple Goes Undefeated

The Purple Machine that rolled to a 6-0 season and a conference title was powered by an often explosive offense and a stinging defense. The defense, which only allowed 47 points, was led by a strong front five. The offense was powered by a punishing ground attack and a striking passing game. Because of a lack of bench strength, often nine men would go both ways. Leading the team were co-captain Leon Peterson and Mike Stephenson. The Purple were coached to the title by Mr. Heikkenen and Mr. Grovesteen, who did a fine job coaching the champions.

ROW 1: D. Thompson, D. McCauley, G. Hubka, A. Ludtke, J. Flueckeger, D. Johnston, D. Stauffacher, Mr. Rose, ROW 2: J. Cass, D. Olstead, G. Wadel, R. Griffin, D. Perrin, K. Passon, A. Edwards, R. Lowery, ROW 5: D. Montgomery, L. Brown, D. St. John, M. Miller, D. Anderson, F. Klett, R. Williams, W. Weaver, M. Eddy.

Sophs Place 4th

Despite losing all its conference road games, the Sophomore football team drove to a successful 4-3-1 record. The defeats were the results of mental errors, and often erratic pass defense. However mistakes were countered by overall team balance, and a never-say-die feeling that pulled out important games. The offense was led by a strong core of running backs, the defense by the line. The line was coached by Mr. Rose and Mr. Bifano Mr. Weeden did the head coaching. The staff did a fine job pulling the team to a very successful year.

Purple Disappointing

To describe the Purple's basketball season, it could be called disappointing at best. The 3-7 record and 3rd placing in the conference was below everyone's expectations. The team was plagued by bad breaks and a failure to put two halves together. High scorers for Purple were Leon Peterson and Dave Testor. Dan Scott and Darrell Caldwell came along at the end of the season to help the Purple effort. The team was under the coaching of Mr. Thompson.

WHITE BASKETBALL TEAM

FRONT ROW: B. Boyd, F. Eddy, D. Lanning, J. Thomas, Manager D. Courtney, Manager S. Johnson, Manager J. Sumpter. ROW TWO: M. Tatge, R. Whitley, B. Mosher, M. Davidson, C. Demos, D. Garde, S. Thill, M. Gram, S. Joseph, S. Carr, Coach Weeden.

WHITE HUSTLES TO 2ND

Team effort and hustle was the name of the game that led the White to a successful 6-4 season. Tough on defense, the White could also put the ball in the basket under pressure. Lack of height was the team's big weakness. Capable of breaking fast on deliberate play, they took second place. Scoring was balanced between Mike Davidson, Steve Thill, and Steve Carr before his injury. The first eight men gave important scoring help to the team. Coach Weeden did a fine job with the team.

SOPHS ARE NO. 1!

SOPHOMORE BASKETBALL

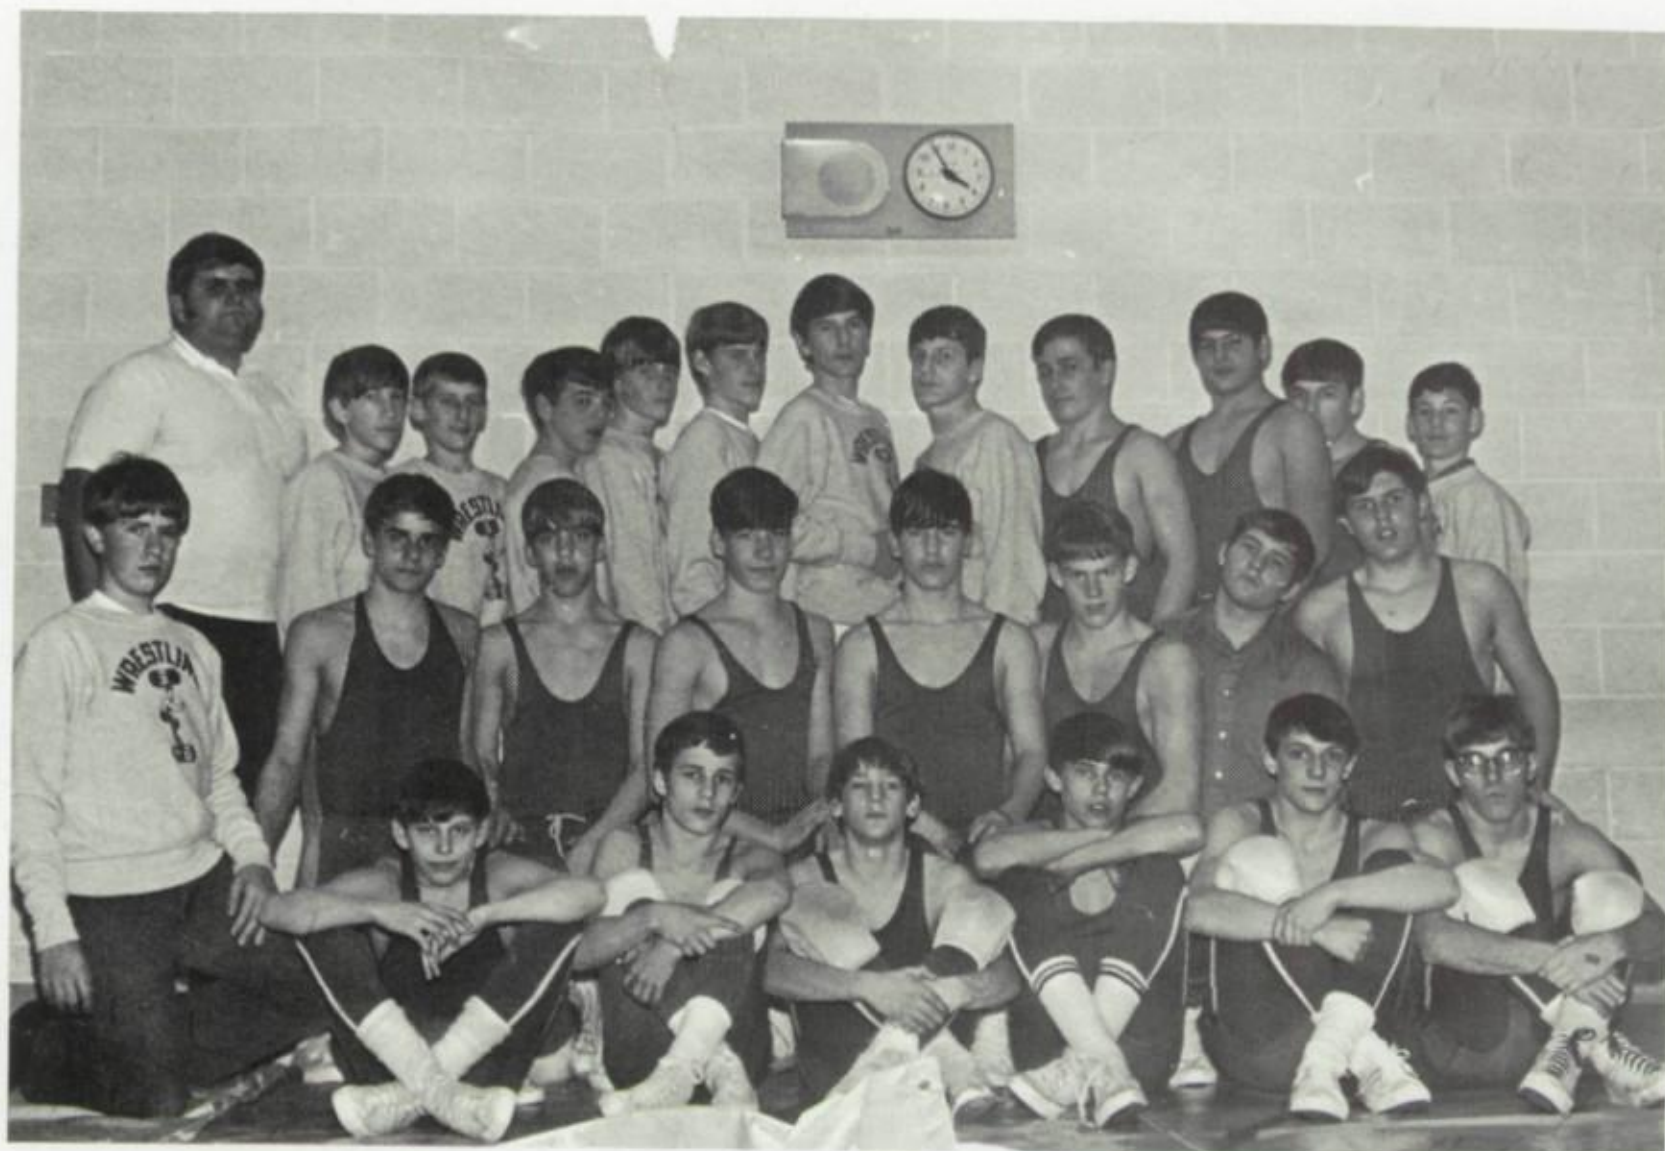

The tremendous Sophomore basketball squad, despite missing two starters that were promoted to varsity, still played fine ball to gain a 16-2 record. This finish is the best of any recent Sophomore team. Because the two losses were non-conference, the team placed #1 in conference play with an unblemished 12-0 record. The tall front line of Bob Klein and Doug Reinke proved their worth by putting up the percentage shot on offense, and by crashing both boards for rebounds. The quick back court play of Ed Smith, Wynn Weaver, and Sam Eddy was important on the attack and also on the man to man defense. Mr. Heying directed and pushed the team through the promising season.

VARSITY

Of the some 250 young men who reached out by competing in athletic teams representing Aldrich, a surprising number, 11, cut varsity. All sophomores, of course, they represented every fall and winter sport. Jim Caldwell, Sam Eddy, and Vince Lamia all started for the football Knights. Jim Caldwell and Gary Hubka were brought up early to bolster the basketball squad, and Doug Reinke, Bob Klein, and Wynn Weaver came to the big time when tournament time rolled around. In swimming, Mike Torrey set the sophomore 50 yard free style record and Phil Grovesteen also swam at the varsity level. Dennis Thompson, Fred Klett, and Vince Lamia received varsity wrestling letters. These 11 young men are the cream of Aldrich Athletes, and the objects of Aldrich pride.
